## STUDENT COMMITMENT

I realize that serving the Lord by being a student volunteer is an honor and a privilege. I commit to the following:

- I will participate in church services and youth programs on a regular basis.
- I will conduct myself in a manner that will bring glory to God and I will lead by example.
- I will use speech that is uplifting to others – no gossip or cursing.
- I will exhibit responsibility, dependability and integrity.
- I will prepare for my responsibilities and arrive on time.
- I will dress modestly and appropriately for my area of service.
- If my role includes working with children, I will make their safety and learning my priority.
- I will interact with others and engage in the learning process. I will not “hang out” at the back of the room or in hallways, talking, eating and becoming a distraction.
- I will attend volunteer trainings as needed.

I understand that if my behavior or conduct comes into question it will be addressed. If concerns continue I will be asked to step out of my volunteer role.
